Dear Parent/Carer,

SUBJECT: Year 11 GCSE Results Day and Presentation Evening 2026

We are really looking forward to seeing your child on **Thursday, 20th August 2026**, when they collect their GCSE results! We hope both you and your child will be pleased with the outcome.

Collecting Results and Post-Results Services

The school will be open from 9:30 AM on Thursday, 20th August, and results will be issued by staff in the main hall **between 9:30 AM and 11:30 AM**. We're excited to see all our pupils during this time and to celebrate the culmination of their hard work and achievements.

If your child can't make it during the morning collection window, the school reception will be open until **3:30 PM** to collect results at any other point during the day. Any results not collected in person will be sent out by first-class post.

If your child is unable to collect their results in person

Due to data protection, only your child can pick up their GCSE results, unless permission has been explicitly granted. To do this, they can nominate a parent/carers or trusted adult and give them written permission. **The person collecting the results must bring identification.**

To give permission, your child can:

- Download, print and complete the [Results Collection Permission Slip](#).
- Write a covering note that includes the necessary information.
- Email our Exams Officer, Mrs Whitfield, at Whitfield.a@risedale.org.uk in advance.

Whichever method your child chooses, they must clearly state the full name of the person collecting their results, their relationship to them, and that they explicitly give them permission to collect their results.

Results by Email

For those who requested results by email, we will send these out as early as possible after the main body of pupils have collected their results in school. Copies will also be sent by post. Unfortunately, we are **unable to provide results by telephone**.

Personal Email - Keeping In Touch

To ensure we can easily keep in touch, please ensure your child provides a personal email address that we can use for future contact. Their school email address will be disabled in September. We'll only use their personal email address for school-related matters, such as examination results, enquiries about results, careers, or post-16 choices. **If they haven't already done so, please ensure they complete this form: [Y11 Personal Email Address](#).**

Change of Address

If you have already moved, or will have moved by the time the official certificates are available in November, and you haven't yet notified the school, please let our Exams Officer, Mrs Whitfield, know as soon as possible. This helps us make sure that posted copies of results and certificates go to the correct address.

Help on the Day

Senior staff, Mrs Whitfield, Mrs Porritt, and I will be available on results day. If you have any queries or questions, or are at all concerned about your child's results or their next steps, please speak to us promptly so we can assist you.

You can also email me at Ireland.G@risedale.org.uk or Mrs Whitfield at Whitfield.a@risedale.org.uk anytime after your child receives their results.

A separate email about **Post-Results Services** will be sent to you and your child before results day. Please do read this further correspondence carefully.

If you have any questions about these arrangements or any other exam-related questions, please don't hesitate to get in touch.

Certificate Presentation Evening: Wednesday, 18th November 2026

We will host our Year 11 Presentation Evening in November to officially celebrate the achievements of the entire cohort and distribute formal exam certificates. This evening promises to be a fantastic final opportunity for the cohort to be together, look back on their time with us, and make some special lasting memories.

- **Event Details:** Wednesday, 18th November at 6:00 pm in the Main Hall.
- **Invitations:** Formal invitations—including dress code and ticket information—will be sent home in September/October.
- **Official Certificates:** This evening is the primary opportunity to collect official exam certificates, which are essential documents required by future employers and further education providers.
- **Awards:** The evening will also feature subject-specific awards and special commendations for outstanding effort, achievement, and progress.

Thank you for your continued support throughout your child's time at our school. We look forward to seeing our pupils on Results Day and coming together once again to celebrate their successes in November.

Kindest regards,

Miss G Ireland Deputy Headteacher
