

Tuesday, 24th March 2026

Dear Parent/Carer,

SUBJECT: Year 11 Easter Revision Sessions

To support our Year 11 pupils as they prepare for their final exams, we are hosting **two intensive revision days during the Easter holidays**. We hope all pupils will attend wherever possible to take advantage of the expert guidance provided by our staff. We are incredibly grateful to our teachers for giving up their holiday time to offer this additional support. However, please note that we cannot provide sessions for every subject, as some staff members may be away or unavailable.

Key Details

- **Dates:** Tuesday 31st March and Thursday 9th April.
- **Times:** Session 1 (9:30 - 11:00), Session 2 (11:15 - 12:45), Session 3 (1:15 - 2:45).
- **Location:** All classes will be based in English and D&T classrooms, as maintenance work will be taking place in other areas of the school. Pupils should enter through the main school reception doors and should sign in at Reception. They will be given a timetable once they have signed up for their sessions.
- **Lunch:** Provided free of charge for all pupils.
- **Dress Code:** Casual/non-uniform (appropriate for the school environment).

Why These Sessions Are Vital

These teacher-led sessions are more than just "extra study." They provide focused time to tackle the most difficult topics/questions and offer practical exam techniques that can make a significant difference in final grades. By attending, pupils benefit from a structured environment that helps them stay on track during the holiday break, ensures they don't lose momentum, and allows them to work with friends in a productive space away from distractions.

Schedule and Sign-Up

A Google Form has been emailed to your child for them to complete. Pupils should choose up to **three sessions** to attend each day. We would appreciate it if you could discuss this with them and help decide which lessons would be most beneficial for them to attend.

Tuesday, 31st March	English, Maths, Engineering, Geography, History, PE
Thursday, 9th April	English, Maths, Science

This is the link to the Google Form in case your child has difficulty locating it: <https://forms.gle/9aP8HXRAZwZ72agS8>. **Please ensure your child completes this form ASAP so we can cater adequately for numbers.**

Thank you for your continued support in helping your child achieve their **BEST** possible results.

Kind regards,

Mr M Kirkbride
