Dear Parent/Carer,

SUBJECT: Service Families Moving to Cyprus

We understand that some of our Service Families are due to relocate to Cyprus this summer. To ensure a smooth transition for these pupils, Risedale School is working closely with King Richard School in Cyprus. However, due to GDPR restrictions, we haven't yet received a confirmed list of pupils who will be moving.

Pupil Names Required

If your child attends Risedale School and will be moving to King Richard School in Cyprus in the summer/this year, please complete the relocation form by **Monday 20th January at the latest**. This will help us plan for the transition and ensure we can provide the necessary support.

Both schools are committed to supporting all pupils during this transition, particularly those with Special Educational Needs and Disabilities (SEND), and are actively developing early provisions to address specific needs.

Transition Visit

The Headteacher from King Richard School will be visiting Risedale School to meet pupils and senior leaders on **Thursday 23rd January from 12:00 to 13:30**. This visit is intended to introduce pupils who will be moving to the school to the Headteacher who will deliver a presentation about the school to them as a group. The Headteacher will also meet with myself, the SENCo (Miss Burke) and the Safeguarding & Attendance Lead (Mrs Cox) to discuss pupil needs and information that will support a smooth transition to the school in Cyprus.

Please don't hesitate to contact the school if you have any questions.

Yours sincerely,

Mrs L Greenwood
