Dear parent/carer,

SUBJECT: Further information regarding changes to the current school timetable

Following my letter on Wednesday of this week regarding the timetable changes we are implementing, please note that, due to some technical issues including our management information system going down yesterday, we have been unable to supply your child with their finalised new timetable today. We will be holding an extended tutor time on Monday morning to share these and allow for conversations/questions.

Please note that anything on Bromcom for next week is not yet the final version, so please do not consult this yet for information.

We apologise for any inconvenience this has caused.

Yours faithfully,

Mrs L Greenwood
Headteacher
