OUR VISION & VALUES

RESPONSIBILITY
RESPECT
RESILIENCE
RELATIONSHIPS

Our aspiration is that every pupil and staff member is supported to be the **BEST** version of themselves. Members of our Risedale family will feel a strong sense of belonging and accomplishment as a direct result of attending our school. They will accumulate knowledge, cultural capital and social skills, such as empathy and kindness, enabling them to thrive in society and enjoy healthy **RELATIONSHIPS**. All our pupils will make good progress from their starting points.

At whatever stage of their education Risedale pupils leave us, they will be well-equipped to take the next steps on their journey to becoming a **RESPONSIBLE**, **RESPECTFUL** and **RESILIENT** citizen who can embrace change and learn from mistakes.

Our Curriculum Pillars

The five pillars: The main mantra of our curriculum is to be inclusive, to challenge and engage all pupils positively in their learning through a broader understanding of the world around them. Throughout this, we emphasise kindness and empathy through a family ethos. To achieve this, we have 5 clear pillars which underpin our whole school curriculum vision.
