Our Vision

Our aspiration is that every pupil and staff member is supported to be the **BEST** version of themselves.

Members of our Risedale family will feel a strong sense of belonging and accomplishment as a direct result of attending our school. They will accumulate knowledge, cultural capital and social skills, such as empathy and kindness, enabling them to thrive in society and enjoy healthy **RELATIONSHIPS**. All our pupils will make good progress from their starting points.

At whatever stage of their education Risedale pupils leave us, they will be well-equipped to take the next steps on their journey to becoming a **RESPONSIBLE, RESPECTFUL** and **RESILIENT** citizen who can embrace change and learn from mistakes.
