

MCAS Parent Portal

Online Parental Engagement

- MyChildAtSchool (MCAS) is an online portal for parents that enables you to view your child's performance at school in real-time via the web.
- Please check MCAS regularly as this facility allows you to access your child's timetable, attendance, behaviour and reports whenever you wish to see the latest available information. Parents can access MCAS via the school website or can use the MCAS App, which can be downloaded from the app/play store.
- When your child joined Risedale, you were sent details to allow you to access your account. If you have forgotten your Parent Login details, please scan the QR code below.
- If you have any problems accessing your MCAS account, please contact the Risedale School admin team.
