12 March 2021

Dear Mrs Brierley,

May I offer my congratulations to you and everyone involved in the College's recent very successful Step Count House Competition.

The cumulative total of more than two million steps taken by pupils and staff during the week is very impressive and well done to Turing House for being the overall winners.

Can I say what a good idea it was to involve the pupils in a collective effort during a period when the majority were still at home – an effort which encouraged everyone to step up their activity levels. A healthy challenge indeed!

Kind regards,
